**Tools:** Git, GitHub, Version Control, Postman, VS Code

## WORK EXPERIENCE

**Full Stack Developer** | AstraZ Software Solution | *2025 – 2026*

- Developed and maintained 10+ scalable web applications using MERN Stack and Laravel.
- Designed and implemented 15+ RESTful APIs for seamless frontend-backend integration.
- Optimized MySQL queries and backend workflows, improving application performance by 30%.
- Implemented JWT authentication and role-based access control for secure user management.
- Deployed and maintained live applications on VPS servers, reducing downtime and resolving production issues efficiently.
- Collaborated with UI/UX designers and developers to build scalable and maintainable solutions.

## LIVE PROJECTS

**UK Granite Co — Corporate Website**

**Tech Stack: Laravel**, **MySQL**, **Blade**, **Bootstrap**

- Developed a Laravel-based corporate website using MVC architecture, handling 100+ monthly users and improving page load speed by 35%.
- Implemented backend logic, secure form handling, and MySQL database integration.
- Built reusable Blade components to ensure a responsive and user-friendly UI.
- Deployed and maintained the application on a live VPS environment.

**ShopLoc** — E-**Commerce Web Application**

**Tech Stack: Laravel**, **MySQL**, **Blade**, **JavaScript**, **Bootstrap**

- Developed and maintained backend functionalities for an e-commerce web application using Laravel.
- Built RESTful APIs and implemented secure authentication and role-based access control systems.
- Developed product, cart, and order management modules with MySQL database integration.
- Optimized backend logic and database queries to improve application performance and response time.
- Created responsive and user-friendly interfaces using Blade, Bootstrap, JavaScript, HTML, and CSS.
- Assisted in VPS deployment, production maintenance, and live application support for ShopLoc.

## EDUCATION & CERTIFICATION

**Master Certificate in Full Stack Development (MERN)** — LIVEWIRE | 2024 – 2025
**BSc Computer Science** — Saadiya Arts and Science College, Kasaragod | 2021 – 2024
